

MPS-FMR-20MU

The diagram shows a ledger page with 20 columns. The top row is a header row with columns numbered 1 through 20. Below the header row, there are two horizontal bands of colored lines. The first band consists of a solid blue line, a dashed red line, and a solid purple line. The second band consists of a solid blue line, a dashed red line, and a solid purple line. The page is framed by a double-line border. A dimension line at the bottom indicates a width of 18.500.
